Budget Delegate	Max A. Butler	Idea #:	776
		ID:	22
		SVI:	3 (\$1,500,000)
		Budget:	\$300,000
Location	Sawyer Brown Road and Esterbrook Drive		
Short Description:			
Install crosswalks and sinage to the intersection of Sawyer Brown Road and Esterbrook Drive.			
Long Description:			
This crosswalk would allow residents from the neighborhoods off Sawyer Brown to more safely and easily access the Bellevue One Shopping Center area on foot.			
Metro Comments			
<ul style="list-style-type: none"> • Design and Construction of short sidewalk and two ADA ramps at both intersections with crosswalk and signage and possible catchbasin with outlet pipe. • Crosswalk markings only at southern entrance. 			

This project page has been curated by a budget delegate, drawing inspiration from ideas submitted by Nashville residents until June 20, 2023. It has been shaped with initial input regarding scope and budget from a Metro department. While Metro is committed to adhering to the specified scope, adjustments or even the potential elimination of certain aspects may become necessary during implementation, influenced by site-specific or unforeseen conditions. Furthermore, the projects' funding source is from the American Rescue Plan Act (ARPA), which current guidelines require all ARPA-funded projects be completed by December 2026. Should any project be delayed or expected to be delayed beyond this deadline, it shall be subject to elimination. The implementation timeline will be rigorously monitored to ensure compliance with this crucial requirement. Any prospective alterations to the project will be subjected to rigorous scrutiny and resolution by the steering committee during their regularly scheduled meetings.
